

Logging In

Logging into the Web Site

In order to view your reports you must first log into the istation Reading's Reports Web site.

1. From your browser, type www.istation.com into your address bar.

Your browser will be:

Internet Explorer

Safari

Mozilla Firefox

2. Move your cursor to the top right corner of the istation home page and click on the words [Login here to view student reports!](#)

3. You will be asked to identify your Domain (or school) so that your account can be identified.

istation Domain Selection

Before you login to our website, you must specify your istation Domain (location) so that we can properly identify your account.

Find your domain (location)
Note: If you are using a demo account, [login here](#).

State: or search by school name:

City or district: -- choose --

Demo Account Login
If you are you using a preview demo account, [login here](#).

Can't find your school?
You can request a school domain be created by completing the [School Information Form](#).

Note: A Security Information box may appear. Click Yes or OK to proceed.

4. Move your cursor to the State text box. Click on the down arrow to see a listing of states. Select your state.

5. Move your cursor to the City or District text box. Click on the down arrow to see a listing of cities or district names. Select your city or district.

6. If there are several schools using istation® in your city or district, a list of schools will appear. Click on your school.
7. You will now see a place for your Username and Password.
